Mr. Bob Rose,
P. O. Box 463,
Harrisburg, Pa.

Dear Mr. Rose:

I am writing to ask if you can assist me in getting my account with Partridge straight.

I am almost sure I asked you at the Meeting to ship me two gross of balls, these have been received and paid for, but in addition your office has billed me for another gross, making a total of three. It is hard for me to determine if we were shipped three gross, we we have not kept any records of shipments received up to now. Due to the fact we have never ordered over a gross at a time before, and it was not hard to keep track of. I, of course, do not want an unpaid balance remaining on the account, and do not want to pay for something I did not get.

Will you please send me a copy of the order I gave you, and tell me what your order to the main office was. It is possible of course that they could have made a mistake in billing. Their statement shows a gross of balls shipped March 16th, one-half gross April 8th, another one-half gross May 2nd and another full gross May 2nd.

Please let me hear from you as soon as possible, so I can get the account straight.

Very truly yours,
